NIK GUERRA

ZANOTTI

Nik Guerra (Massa Carrara, 1969) is a prolific cartoonist, but he is also a painter of works of art that depict an indiscreet and charming sexy-pop theme. At the beginning of the year 2000, thanks to his series full of female characters called "MAGENTA", he was chosen and thus catapulted into the world of comics in collaboration with the writer Celestino Pes. The series, "Magenta", is being published in ITALY since 2003 (by the publisher "Editore Coniglio"), in the USA (by SQ Publishing) and in FRANCE, where four editions have already been published (IPM, gora, La Musardine and Delcourt). In 2008, he was invited to the renowned Erotica Festival of BRUSSELS. He created an illustration for this official and this illustration is now permanently exhibited at the museum of erotic cartoons, which is located in the Belgian capital. In addition to the creation of comic strips, his artistic career has also evolved towards paintings. He has worked on four paintings that depict characters that seem to reflect a sort of pop-art theme. In addition to exhibiting his works in some art galleries ("The Bizarre World Gallery" in Rome, "The Palace Gallery of Enrico COVERI" in Florence, "Giò Art" in Lucca), over the past few years, Nik Guerra's paintings were also exhibited in more "personal" exhibitions, such as the exclusive Cartoomics 2010 at the Fair Trade Center of Milan. In November 2010, the publishers "Il Grifo" launched his art-book "LA FEMME EN NOIR". This book contains 100 pages that reproduce a retrospective of paintings and pinups.

Nik Guerra (Massa Carrara 1969), prolific disegnatore di fumetti, nonché autore di dipinti d'arte dall' indiscreto fascino sexy pop. Scelta fra una rosa di personaggi femminili da lui stesso creati MAGENTA, ad inizio del 2000, viene trasportata nella dimensione del fumetto grazie alla collaborazione con lo sceneggiatore Celestino Pes. La serie di Magenta, dal 2003, viene pubblicata in ITALIA (per Coniglio Editore), in USA (per SQ Publishing) e soprattutto in FRANCIA, in cui vanta già quattro edizioni (IPM, Agorà, La Musardine e Delcourt). Nel 2008 viene invitato al rinomato Festival Dell'Erotismo 2008 di BRUXELLES, realizzando un'illustrazione destinata, oltre che per il portfolio ufficiale della manifestazione, ad essere esposta permanentemente presso il museo del fumetto erotico della capitale belga. In aggiunta alla creazione di tavole a fumetti, il percorso artistico si è evoluto anche all'arte della pittura, realizzando quadri che trattano dei propri personaggi in una sorta di autocitazione pop-art. Oltre ad alcune gallerie d'arte ("Mondo Bizarro Gallery" a Roma, "Galleria Del Palazzo Enrico COVERI", di Firenze, "Giò Art" di Lucca), da alcuni anni, le opere pittoriche di Nik Guerra sono state esposte in mostre personali, fra le quali quella esclusiva di Cartoomics 2010 presso la FIERA di MILANO. Nel Novembre 2010 esce l'artbook, edito da Edizioni Il Grifo, "LA FEMME EN NOIR", oltre 100 pagine che ripropongono una retrospettiva di pinup e quadri.
