Subject: Stakeholders Workshop on Regulation (EC) No 842/2006 on certain fluorinated greenhouse gases, 9 October 2006

Dear Sir/Madam,

In order to progress the work of the European Community in preparing for the entry into application of the "F-gas" Regulation, you are invited to a stakeholders' workshop on 9 October 2006 from 09.30 to 18:00 hours in the Centre de Conference Albert Borschette, Rue Froissart 36, B-1049 Brussels. Representatives of the Member States will also be present.

This workshop is to allow stakeholders to give their views on how best the Regulation can be implemented from their standpoint following its entry into force and to discuss practical steps to advance implementation. A draft Agenda is attached.

Should you need further information please do not hesitate to contact Dinah Peeters (+322-296-8784). We very much look forward to seeing you at the meeting.
