

SAMESA

Servicios Avanzados Medioambientales, S.L.

Advanced Environmental Services

SOLUTIONS FOR INDUSTRY

INDUSTRIAL COOLING

COOLING TOWERS

- Supply
- Design
- Installation
- Start-up
- Maintenance

DRY COOLERS

- Supply
- Design
- Installation
- Start-up
- Maintenance

COMPACT EQUIPMENT

- Standard systems
- Tailor-made systems
- Easy transport
- Fast installation
- Possibility of interconnection

ADEQUACY OF COOLING TOWERS

- Technical support
- Remodeling
- Waterproofing
- Canalizing
- Anti-legionella fill

WASTEWATER TREATMENT

WWTP SYSTEMS

- Turn-key projects
- Design
- Installation
- Start-up
- Maintenance

COMPACT WWTP

- Standard systems
- Tailor-made systems
- Easy transport
- Fast installation
- Possibility of interconnection

PUMPING WELLS

- Calculation
- Design
- Installation
- Start-up
- Maintenance

HYDROCARBON SEPARATORS

- Study
- Construction
- Installation
- Start-up
- Maintenance
- Values obtained $< 5 \text{ mg/l}$
